Advanced Azure Knowledge Share: 1 Day Workshop

Get your own technical team up to speed quickly, with a hands-on, knowledge share approach, led by a qualified Microsoft technical consultant, based around your own Microsoft environment and systems. You will gain extensive technical knowledge and best practice advice.

YOUR CHALLENGES

- It can be a full-time job to understand the complex breadth and to keep up with the quick advances in Microsoft technology.
- Sometimes you don't know what you need to know.

THE BENEFITS

- Our Microsoft Solutions Architects are highly accomplished technical specialists, as well as skilled communicators.
- Fast-track your business to success by applying the information we share.
- Leverage our direct relationship with Microsoft.
- Sign up for on-going knowledge share support so you keep always up-to-date.

CLIENT EXPERIENCE

Engaging with a Softwerx subject matter expert, particularly around Microsoft licensing, was one of our best decisions."
