**Charity**

The workshop was tailored to our current and future business needs. As a result we significantly strengthened our approach to cybersecurity. "

Mark Phillippo,  
*Head of Development,*  
St Martin's In The Fields  
Charity

In this free workshop, you'll quickly understand your licensing, feature access and not-for-profit benefit availability in detail.

Most Charities find it a challenge to keep up to date with the latest Microsoft offers, security upgrades and productivity features. But it does not have to be this way.

Quickly gain insight on Microsoft best practice tailored for your Charities's needs with a free Microsoft Discovery Workshop.
